Dear Parents

We are already halfway through the winter term. Its amazing how time flies. We want to thank the Almighty God for the milestones we have covered.

### **LABELLING OF CLOTHING ITEMS**

- All uniforms and any other clothing items should be clearly labelled for easy identification during laundering and for redistribution purposes.
- Pupils can only get back their items of clothing from the laundry if they are clearly labelled.

### **CELL PHONES AND GADGETS**

- Forms 1, 2 and 3 are not allowed to bring cell-phones or laptops or any other gadgets to the hostel.
- The school will not be responsible for any loss of gadgets even for the form 4s, L6 and U6. Pupils bring gadgets at their own risk.

### **UNIFORMS**

- There is need to attend to items of the uniform during the school holiday. Some items of clothing might need replacement before next year.
- Some blazers are turning purple due to overuse, please replace these.
- Four sets of uniforms should be brought to school to allow easy laundering.

### **HAIRSTYLES**

- Boys are not allowed to have fancy hair-cuts. Haircuts should be neat and simple.
- Girls to use braids of the colour of their hair. Braids should be simple and manageable.
- Senior boys are advised to bring shaving machines to use whenever there is need.

### **BEDDING**

- We are encouraging all parents to buy navy blue bed covers for uniformity in our hostels.

### **MEDICAL FUND**

- Parents should bring in valid medical aid cards plus \$50 for medication purposes.
- The fund may need topping up frequently if used up.
- Surrender all medication, medical aid cards and \$50 to the matron when signing –in your child.

## **POCKET MONEY**

All pocket money should be surrendered to the matron when pupils are signed in. Any loss of money kept in the hostel will not be replaced by the school.

## **VANDALISM OF SCHOOL PROPERTY**

Children will be held responsible for any cases of vandalism of school property. There is need for us to continue teaching our children to value school property.

## **LOST AND FOUND ITEMS**

Please check for any lost and found items when you come to the hostel.

## **BOARDERS' OUTING**

We are planning to take the Primary school, Form one and Form three pupils to Chinhoyi Caves for their annual Boarders' Outing. The trips are educational and entertaining.

## **MOCK AND MIDYEAR EXAMINATIONS**

May you please ensure that pupils bring enough stationery for the pending examinations e.g. calculators, rulers, mathematical sets, rubbers, pencils, ballpoint pens etc.

We hope you will have a restful long weekend with the children.

Be blessed always.
