Greetings to you and your families. We have come to the end of second term 2018. We surely hope that our students had a fruitful time throughout the term.

Kindly ensure that the following are considered for next term preparations:

To sign in students as soon as you arrive at hostel, providing boarding fee proof of payment or boarding pass.

- ◆ Haircuts – the shortest haircuts possible (brushable)
- ◆ Neatly plaited / braided.
- ◆ Provide pegs for their personal laundry.
- ◆ Buy extra silver buttons for their blazers.
- ◆ Provide sewing kits (black and white) thread and needle.
- ◆ Provide examinations stationery.
- ◆ Provide medical aid cards and / or cash for medical standby.
- ◆ To hand in medical cards / cash and medicines to the Matron . Students are not allowed to keep medicines for fear of abuse and reactions.
- ◆ Hand in tuck money on arrival.
- ◆ Labelling of students clothing and uniforms, also provide a laundry marker where possible. Please check the lost and found bay to claim your belongings.
- ◆ Kindly note that we expect students to come with summer uniforms, making sure that their shirts are short sleeved.
- ◆ Kindly replace faded blazers with new ones.
- ◆ Kindly discourage vandalism of property such as breaking windows, Light bulbs, switches and doors . Besides the damage, the students are also at risk of getting injured.
- ◆ Kindly continue teaching, monitoring and helping our children groom themselves, manage their belongings and practise bed making, as this will help boost their confidence. If a child can do all this they enjoy hostel life even better.

- ◆ For the exam writing students coming for holiday school, may you please ensure that they bring descent clothing which is well presentable, since improper or inappropriate dressing in a school setup is not recommended.

CELLPHONES

It is alarming to note that most junior students are bringing cellphones and hiding them in the dormitories. We request for the parent/guardian to ensure that this does not happen. We wish to remind you that cell phones are only authorised for form 4 to 6 students only.

ELECTRICAL GADGETS

All gadgets with elements are prohibited from hostel for fear of fire in case of electrical faults or negligence.

Have a fruitful and restful holiday.
