## THIS ISSUE

- ◆ **Important Dates**
- ◆ **Medical Fund**

Dear Parents and Guardians

We are already halfway through the Christmas term. The term has been busy with preparation for both external and internal examinations. We thank the Lord that He has been faithful through this hectic schedule.

### Important dates

Exeat weekend— Friday, 19 to Monday, 22 October all inclusive.

Second Fixture Free Weekend—Saturday, 10 to Sunday, 11 November 2018.

School closes— Thursday, 6 December 2018 at 10.15 a.m.

### Examinations

Please ensure that pupils have adequate stationery for examinations. There are specific requirements for example transparent pencil cases and rulers.

### Lost and Found items

Whenever you visit the school, pass through our laundry department and check for your child's lost items. On that note, some labels need to be securely attached to clothing as they can fall off during laundering. Please ensure that children bring extra blazer buttons as we face challenges with the loss of buttons during the course of the term. Surrender these to the matron on the signing in desk. Pupils are advised to bring pegs to secure their clothing on washing lines.

### **Medical Fund**

We are facing challenges at pharmacies where we at times, are not able to acquire certain prescribed drugs due the changing demands of the market. We kindly urge all parents to cooperate with the hostel matron if she phones for assistance.

### **Hairstyles**

Please ensure that your child has the recommended haircut during the exeat weekend. Girls are encouraged to attend to their hair to avoid wasting time during the course of the term .

### **Security of closets**

All pupils should bring locks and keys for their security of their valuable items. They are advised to surrender one of the spare keys to the matron.

### **Visiting Times**

Parents are advised to adhere to our stipulated visiting times. When you visit the hostel, please report to the duty teacher or the matron first before contacting the pupils. Let us help ensure the safety our children.

We hope you are going to have a restful weekend with the children.
