- ◇ INTERHOUSE SWIMMING GALA
- ◇ PRIZE GIVING AND SPEECH NIGHT

Dear Parents

Half term is upon us and I am sure you are all looking forward to time with your children. We have had a very hectic time examination wise as Cambridge examinations are at full throttle.

TRAGIC NEWS

It is with deep regret that I have to let you know that our Design and Technology teacher, Mr Mbwetu, passed on, on Tuesday, 17 October 2017. He had been unwell since August. Mr Mbwetu was an illustrious servant of the College and a vital senior member of our teaching staff. He will be sorely missed by all of us. Funeral arrangements are in progress and people are gathered at Number 2835, Mbizo 13, Kwekwe. Mr Mbwetu is likely to be buried at his rural home in Chivi on Friday, 20 October 2017.

INTERHOUSE SWIMMING GALA

We held our Interhouse Swimming Gala on Wednesday, 11 October 2017. Musasa House (yellow) emerged victors. We sincerely thank all parents who came to support the children. However, we were disappointed by the very low attendance by parents as compared to that of the previous year. If we want Goldridge College to be one of the best schools in Zimbabwe, we need to attend all events and give full support to the children.

PRIZE GIVING AND SPEECH NIGHT

Our Prize Giving and Speech Night was held on Wednesday, 18 October 2017. What a wonderful turnout of parents and invited guests we had. Our guest of honour was Doctor Mugaviri who inspired all those who were present as he touched on Purpose and Career Planning. His advice to all parents was greatly appreciated. We sincerely thank him for coming for the event. Our 2018 leaders were also announced to the whole school.

I wish you a pleasant weekend with your children

L. Mashanda
